Out of love for his future queen

by MiaQc

Summary

Now that Prince Dimande has captured his future queen, he wants to give all his love to Usagi. Since she keeps resisting him, he agrees to Wiseman's plan, letting him play with Usagi to turn her into an obedient and loving wife.

In this fanfic, Usagi is over 18. She is an adult.

- A translation of [Restricted Work] by MiaQc

Prince Dimande, lying on top of Usagi, smiled. He had finally captured her. His future queen. His love.

No matter how much the blonde woman resists him — screaming and crying — the Black Moon clan prince caresses her. His fingers gently play with her nipples. His tongue licks and his mouth kisses her neck. Prince Dimande moves his hands and lips down toward Usagi's pussy. He fingers her slowly, sliding one finger at a time into her wet tunnel, then pulls his fingers out before licking her wonderful entrance.

Usagi cums quickly but she keeps screaming which angers the prince. To silence her, he slaps her without restraint. His beloved's face is bright red now. As he slides his cock between his future queen's breasts, he asks her why in a cold tone. Why does she keep resisting him? She must love him.

The blonde woman refuses to answer him so Prince Dimande forcefully penetrates her love tunnel with his cock. Usagi screams and moans at the same time. The Black Moon clan prince continues to thrust rapidly into his future queen's pussy. He moans too, louder and louder until he cums inside Usagi.

Then Prince Dimante leaves her, leaving his beloved locked in her room, and goes to pour himself a glass of wine. As he drinks, Wiseman appears beside him.

"So, Prince Dimante, have things been going well with your love?"

"Not really. She's still resisting me even though her Silver Crystal is powerless in this place!"

"Have you given my proposal any thought?"

The prince sighs. Wiseman had suggested that he play with Usagi to transform her into an obedient and loving wife. Wiseman has the power to do so, thanks to the Malefic Black Crystal. Prince Dimante didn't want to share his future queen's body with anyone else but he sees no other solution. The prince sighs again and gives Wiseman his consent.

"Good, good. You don't regret it."

With that, Wiseman disappears. Usagi screams when she sees him materialize next to her. The crystal ball that Wiseman always carries with him is gone.

“Now, future queen of the Black Moon…” he said. The Malefic Black Crystal energy enveloped the woman’s naked body. “I’m going to teach you a very important lesson.”

Usagi finds herself standing in front of a large mirror; she is still on the bed in her prison-room but her body is sitting next to Wiseman. Wiseman, standing right behind her, is playing with her body. One of his undead hands caresses a breast and pinches her nipple from time to time. His other hand slowly rubs her pussy’s outside, already wet with her love juices and with Prince Dimante’s cum.

“You must love Prince Dimante. He’s your one and only love.”

“That’s not true!” Usagi retorted between moans.

Wiseman laughs and thrusts three fingers into Usagi’s love hole. As the blonde woman screams, Wiseman makes his fingers vibrate inside her while channeling a massive amount of energy from the Malefic Black Crystal into her. When Usagi finally cums, her eyes become cloudy and glassy.

“I must love Prince Dimante,” she said with a smile.

“Absolutely, my beautiful one.”

Wiseman pulls his fingers out of Usagi’s pussy and slides his penis into her wet palace. He thrusts into her several times, holding each of her breasts with one hand, and the beautiful woman moans incessantly. Usagi’s and Wiseman’s moans fill the prison-room. When he ejaculates inside her, his lips kiss Usagi’s back. She can’t see his face but she doesn’t care. Then Wiseman thanks her, pulls out of her and disappears. The mirror vanishes.

Usagi, happy, lies down on the bed again. When Prince Dimante comes back to see her, she spreads her legs.

“I beg you, my love, come!” said the woman under the influence of the Malefic Black Crystal. “My pussy needs to be filled again!”

The Black Moon prince clan laughed softly. He finally had her. His future queen. His eternal love.
